SIMHOPE

machines built with purpose

HOT CHAMBER DIE CASTING MACHINE

SIMHOPE INDUSTRIAL CO. LTD.:

Established in 1982, SIMHOPE a professional Zinc Die Casting Machine, Mould Temperature Controller, Auxiliary Units Manufacturer in Taiwan. SIMHOPE always known for its reliability & commitment worldwide. SIMHOPE machines are easy to operate and ergonomically designed machines. SIMHOPE also believes in continuous improvement in machines.

Global Presence

Egypt, Turkey, India, Nepal, Vietnam, Thailand, Malaysia, Indonesia, Philippines, South Korea, China, Taiwan, Mexico & other African continents.

SIMHOPE offers Machines in the range of 25 tons to 500 tons capacity.

In India, SIMHOPE introduced its first machine Year 2006, Since then SIMHOPE is supplying machines in Automobile, Sanitary & Hardware & Gas Regulator Sector.

Full Cover (Optional)

- Protects from dust, foreign particles
- Enhance toggle protection.

Control panel

- Separate
- easy to operate

Mould Temperature Controller

- Single Loop -SHTC-12S
- Double Loop- SHTC-15D
- Max. Temp: 200 degree Celsius
- Primary Purpose is to regulate the temperature of mould.

Special Features

- Equipped with PID and SSR heating Control
- Real time fault alert
- Suitable for –
Plastic Injection Moulding / Hot Chamber Zinc die casting

NEW
PRODUCT

Trim Press
 (Model P01, P02, P03W, P04W)
 Tonnage:10ton-30ton

Conveyor
 (fan type)

- Available with**
- Electrical furnace
 - Gas Furnace
 - Diesel (Standards)

→ Can be equipped with servo motor / Energy saving motors

Conveyor
 Available in 3,3.5,4m,4.5
 with fan, without fan, slant

- Auto Extractor**
- SR02-100-160ton
 - SR03-200-350ton
 - SR-G2-100-160ton
 - SR-G3-160-350ton
 - SR-L2, SR, L3(Vertical Grounded)

Auto Sprayer
 Above: 160ton

EVERGREAT

COLD CHAMBER DIE CASTING MACHINE

EVERGREAT MACHINERY CO. LTD.:

Evergreat Machinery Co. Ltd. was founded in 1964 in Tainan city of Taiwan. It is one of the oldest manufacturing facility of cold chamber die casting in Taiwan.

Evergreat also expanded to china and established its first manufacturing unit Shenzhen City, China in 1999.

In India, they sold out first unit in 1998

Evergreat machines has been supplied across the globe, they have remarkable presence in Bangladesh, China, India, Middle east, African Continent, South- East Asia

Speciality In Evergreat Machine

- We provide comprehensive services
- We are innovating constantly
- We help customers to success

Global Presence

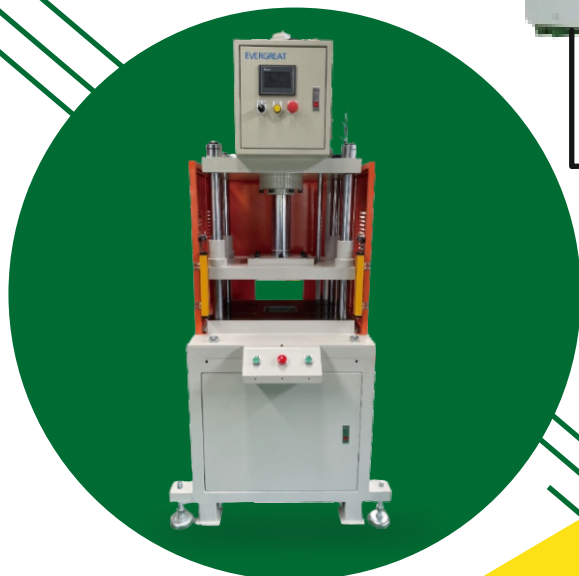

China, Taiwan, Vietnam, Indonesia, Phillipines, Turkey, UAE, Bangladesh, India, Mexico & Other Nations.

Series

- V4N (250 Ton-420 Ton)
- V3N (150 Ton-800 Ton)

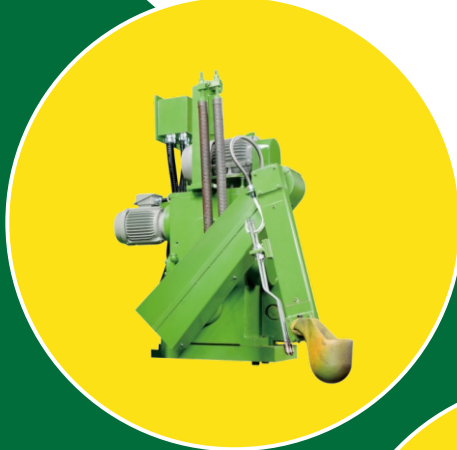

→ Can be equipped with servo motor / Energy saving motors

Trim Press (Four Column)

- Touch Screen Panel
- PLC Control
- Safety Light Grid
- Models TRP-10 (10 Tons), TRP-20 (20 Tons)

Auto Ladle

AL- TYPE (AL-15, AL-25, AL-42)
(CL-650, CL-800)

Auto Sprayer Nozzle type

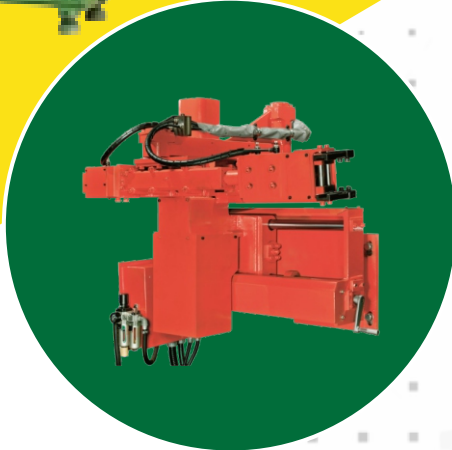

(SPV-N-800)
(SP-15, SP-25, SP-42)

- equipped with Servo Motor
- n number of position
- n number of times Spray & Air Spray

Auto Sprayer

SPV-15, SPV-25, SPV-42

Auto Extractor

(EXJ-15, WXJ-25, EXJ-42)
(EX-15, EX-25, EX-42)
