ABOUT US

We have rapidly expanded and grown from strength to strength, delivering exceptional performance and earned a reputation as a highly dependable specialist. (OUR WORK EXPERIENCE STARTED IN 2005) later promoted as Percept Buildcon in the year 2012 but now turned into **SBK TURNKEY SOLUTIONS** with a more bigger team work.

SBK TRUNKEY SOLUTIONS incorporated in the year 2015. The journey from Startup to turnkey solutions under one roof was not so easy but was achieved with proper planning and efficient utilization of available resources. Hard work of our team is clearly visible through our repeated orders, quality work , technically strong team , time bounded delivery of our projects. The success of our projects is not measured simply in terms of successful technical and commercial delivery but also the desire of all our stakeholders to work us as a team in the future.
